Commissioner's Comments

Commissioner Lee- Elaborated on the new shared service contract with Stratford's Courts and our courts are currently preparing for the addition and expanding our personnel. Looking forward to GABA's Third Friday event on Friday, May 20, which is their first event of the year. The PSE&G work continues throughout town. Please note that the patches in the road are temporary. Once the work is completed the roads will be repaved. Congratulations to Patrolman Ferrara.

Commissioner Whitman – Congratulated the Audubon Celebration Committee for a great Audubon Day. All bills are paid. Announced the Borough of Audubon will be providing fireworks on July 4 holiday. Our fireworks will actually be on the 4th. He thanked Dave Taraschi, Borough Administrator for making that happen.

Mayor Jakubowski-Congratulations to Chief Tassi for another great new Police Officer. Looking forward to the movie nights this summer. Residents should look out for information forthcoming on this. Attended NJ Conference of Mayors and received a lot of valuable information regarding grants and it was nice to meet with our mayors and state legislators. The plan is to continue to advocate for more waste water grants from the federal government and will follow up with government officials. He won a \$1,000 grant from NJAW that he will be spreading around to Civic Reach and the sub-committees.
