

What's the Buzz?

October 20, 2023

Hornets,

It's hard to believe it's already October. The temperature may be cooling and the leaves may be turning, but, as you can see, the Haviland Hive is still buzzing with activity. The plans for our [Halloween](#) celebration are enclosed for your review. Please note that Preschool will have a different schedule for Halloween festivities. That information is being mailed separately to those families.

If your child has a **doctor or dentist appointment during the school day**, please be aware that **your student may be missing lunch**. Please check with your child's teacher before your appointment so you can plan to feed him/her before returning to school.
