**AUDUBON SCHOOL DISTRICT
NON-PRESCRIPTION/PRESCRIPTION MEDICATION CONSENT FORM**

Dear Parent/Guardian:

We attempt to discourage the administration of medication in the school. Parents are advised to give medication at home and on a schedule other than during school hours. However, if your physician decides that it is necessary for your child to receive a medication during the school day. The approval and specific directions must be provided to the school. It is recommended that the first dose of medication be administered at home.

The medication must be brought to the school in the original container with the current prescription label on the container. If the medication is not properly labeled, it will not be given. The medication and this completed consent form must be returned to the school nurse.
